DEDICATION

FLOYD E. MILLSAPS

In token of our appreciation of his twenty-four years of service in our school, his understanding of the problems of youth, and his conscientious effort to guide our first faltering steps into the vast realm of science, we gratefully dedicate THE ROBIN for 1961 to Mr. Floyd E. Millsaps.

FACULTY

PRINCIPAL'S MESSAGE

We wish to express our sincere thanks to the Senior Class, its annual staff, and the annual faculty sponsor for their diligent effort in making the 1961 "Robin" the tremendous success which it is. We feel that the educational experiences that have been yours in planning and assembling this material will be of inestimable value to you in the future.

Students of this year's classes will certainly find that future reference to THE ROBIN will bring back memories that can be accumulated only in a document of this type.

To this year's graduating class go our earnest wishes for a successful and gratifying future. We hope that each of you will realize the ambitions, dreams, and aspirations that you have developed while a student of Robbinsville High School. May you always have a belief in the worth and dignity of your fellow man and gauge your life accordingly.
